The success of Moda Mongolia has always been driven by the enthusiasm and dedication of its team.

As we grow into more and more markets we are constantly looking for talented young individuals to join us and take Moda Mongolia a step further.

We operate on an incentive based system, the more you achieve, the more rewards you reap! We make a point of fostering a safe, challenging and pleasant environment to work in, flexibility and trust are paramount.

We are currently looking for staff at all levels within the company, please send us your C.V and come and meet our current employees to get a feel for the team. We are also happy to take in interns and University exchange students for a great experience.

Who knows, you might end up in Mongolia sooner than you thought.
